

ABERFOYLE

METAL TREATERS LTD.

Position Title: General Labour & Material Handler

Reports to: Plant Manager

POSITION SUMMARY:

- Assist Material Handlers to position customer materials and departmental supplies. This includes receipt of goods, positioning parts for further processing, loading materials for shipment and other related activities.
- Quality check all shipments prior to packing load, complete required paint touch ups
- Safely operate indoor and outdoor overhead cranes, forklifts and shunt truck
- Handle painted parts safely without handling damage - rigging skills are a definite asset; loads can weigh 50 tons or more.
- Prepare materials for processing by performing cleaning, taping and other tasks.
- Work is indoors and outdoors in a factory-type setting and large yard - the candidate should be prepared to work outside in all weather conditions when required.
- Communicate well, be cooperative and work well in a team environment.
- Work safely and wear/use all safety equipment required for the job.
- Maintain a clean workplace and perform general housekeeping on a regular basis.
- Adhere to the company's ISO 9001:2015 Quality Management System including completing shipping, quality, and other documentation in an error-free manner.
- 7:30 to 4pm shift and occasional overtime to meet customer delivery times during peaks times required.
- AMT has a full, comprehensive Health & Safety program and is fully committed to its implementation and use.
- Willing to learn new tasks after 6 months such as inspection criteria and quality documentation.
- Double vaccination required
